Secure Email Guide

First American Bank recognizes the importance of email communication and the need to send confidential information securely to our customers. That's why First American Bank offers a Secure Email service that encrypts the confidential email we send to you. Below are simple step-by-step enrollment instructions for first-time recipients of secure emails from First American Bank.

Step 1: Accessing Your Secure Message

Click on the link within the secure email or save the encrypted file attachment to your hard drive.

Open the file in a web browser, such as Microsoft Edge or Google Chrome.

You have received a secure email from First American Bank. If you have concerns about the validity of this message, please contact the sender directly or call (847) 952-3700.

Thank you,

First American Bank

NOTE: First time users will be prompted to register with our Secure Email service.

To read the secure email, save the encrypted file attachment and open it in a web browser or click Open Secure Email below.
